**Welcome to EZ-BSP, the National Boating Education Standards project site!**

Welcome to EZ-BSP, the National Boating Standards Panel project site!

The goal of this site is to make participation in the national boating standards writing process as quick and painless as possible. This site will give you the ability to choose areas of interest and effortlessly become aware of what is happening in your chosen sectors.

Users must register to use this feature. The menu bar to the left contains a [REGISTER](#) link. Click and follow the instructions. If you are previously registered through the National Association of State Boating Law Administrators (NASBLA) website, use your current NASBLA login and password after you have clicked [LOGIN](#) to the left.

This site is sponsored by the National Association of State Boating Law Administrators with funding provided in part from the Sport Fish Restoration and Boating Trust Fund administered by the United States Coast Guard.

We welcome questions and comments. Please e-mail the link below with suggestions.

We appreciate your help in improving our national boating education standards!

Questions? Contact [StandardsPanel@nasbla.org](mailto:StandardsPanel@nasbla.org) for help and information about this site.

*We wish to thank the American Boat and Yacht Council (ABYC) for permission to adapt its Project Technical Committee website (EZ-PTC) into this fully independent web tool for development and revision of the National Boating Standards.*

**ESP News**

**Review Period Open through February 23 - Investigative Training for Boating Incidents**  
Nov 28, 2022

This draft standard was originally produced by the Boating Incident Investigation Standard Workgroup under funding from a U.S. Coast Guard National Nonprofit grant. This is the first public review period under the process to be recognized as an American National Standard.

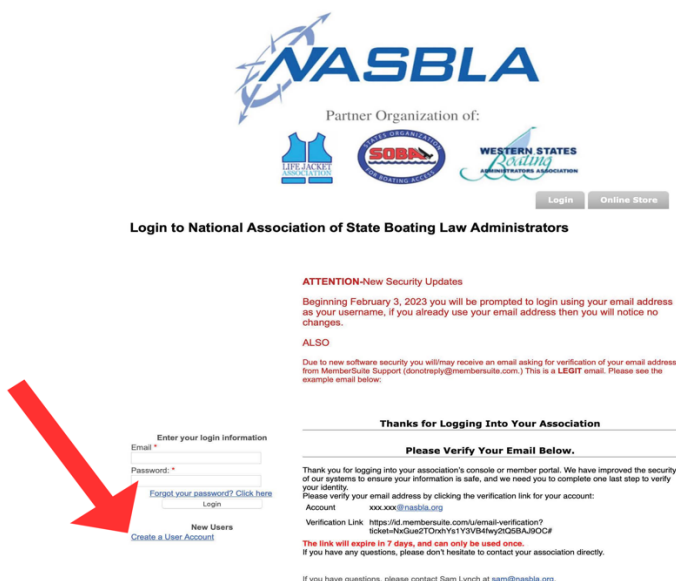

This 90-day public review period will close February 23, 2023.

Investigative Training for Boating Incidents standard is for use in curriculum development and training of recreational boating incident investigators in the U.S. States, Territories, and District of Columbia. These Standards provide commonality for recreational boat incident investigations, general vessel terminology, navigation rules and regulations, environmental distractions, witness interviews, collision dynamics, evidence collection and preservation, diagramming, and report writing, including adherence to definitions and detail in the incident narrative with particular focus on human factor causal elements. Standards are developed with intention to be recognized as the industry standard.

Contact Matt Majors ([matt.majors@nasbla.org](mailto:matt.majors@nasbla.org)) or Kaci Christopher ([kaci.christopher@nasbla.org](mailto:kaci.christopher@nasbla.org)) if you have questions or would like additional information.

**Thanks for Logging Into Your Association**

**Please Verify Your Email Below.**

Thank you for logging into your association's console or member portal. We have improved the security of our systems to ensure your information is safe, and we need you to complete one last step to verify your identity.

Please verify your email address by clicking the verification link for your account:

Account xxx.xxx@nasbla.org

Verification Link <https://id.membersuite.com/email-verification?token=hwGm2TOwhY1Y2VB4ey2G2BAJOCf>

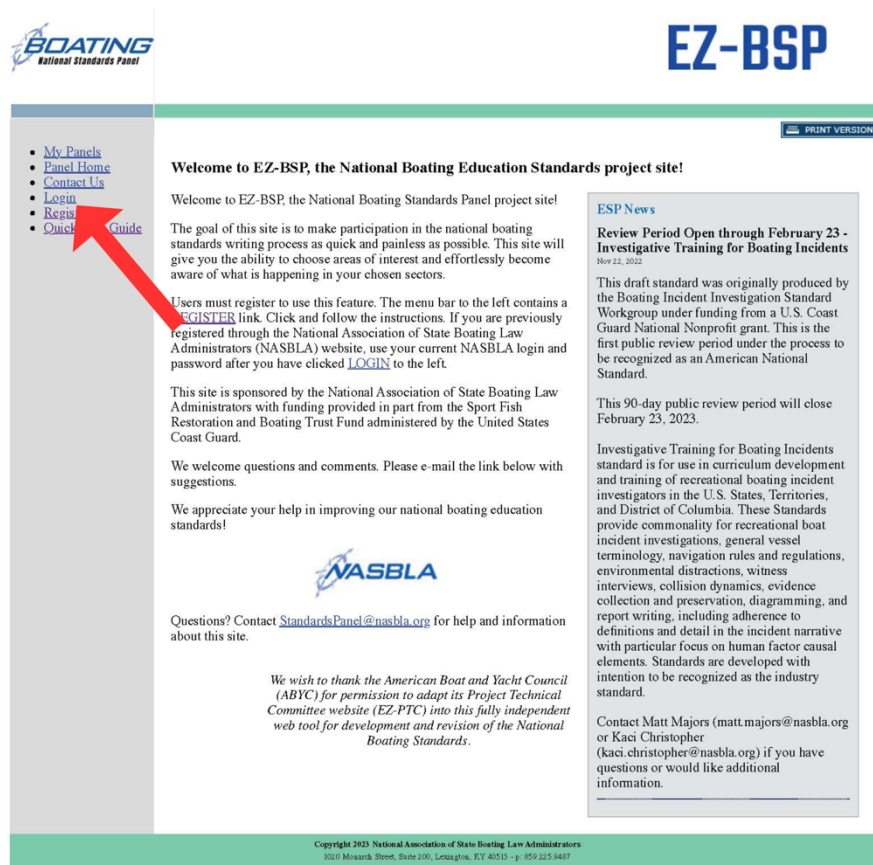

**The link will expire in 7 days, and can only be used once.**

If you have any questions, please don't hesitate to contact your association directly.

If you have questions, please contact Sam Lynch at [sam@nasbla.org](mailto:sam@nasbla.org).

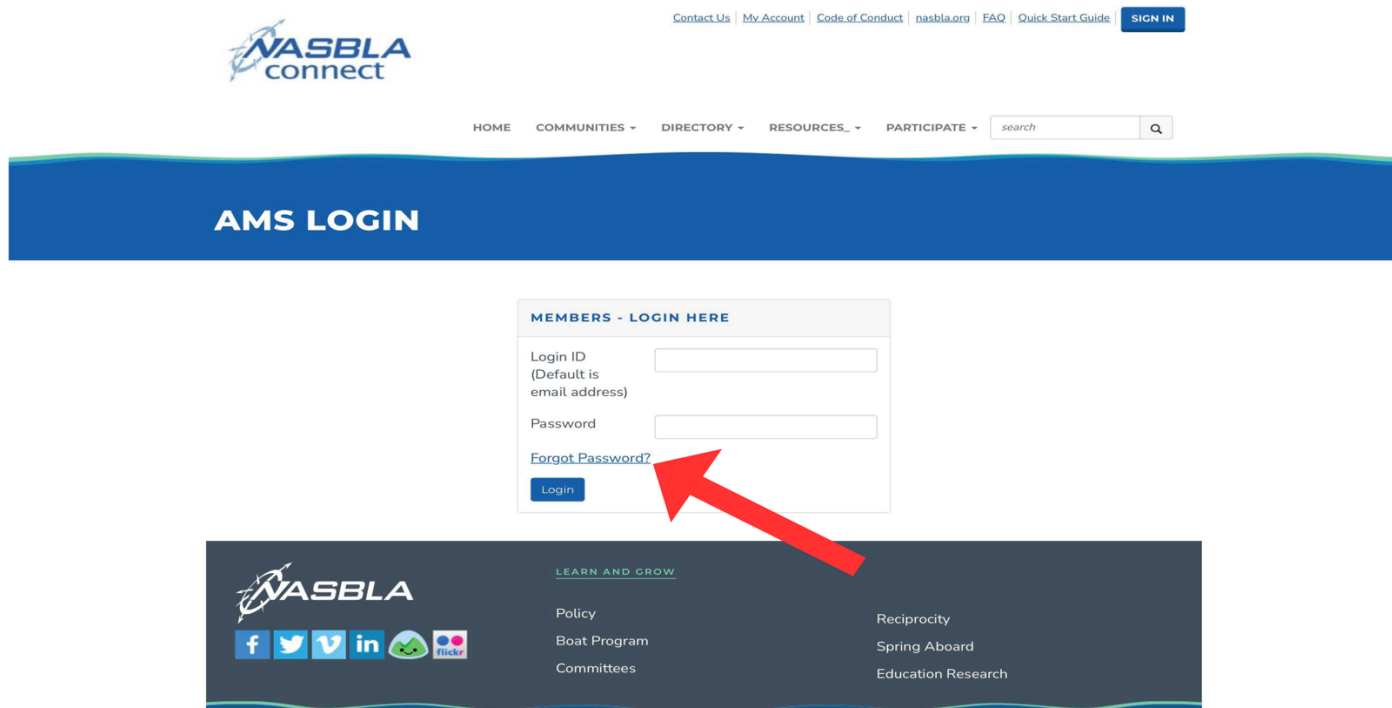

Having problems creating a user account? Contact [info@nasbla.org](mailto:info@nasbla.org) for help.

2. Login. Once you're registered (or already in the system), click the Login link on the left-hand side of the EZ-ESP welcome page. Your login is your email address.

The image shows the EZ-BSP (EZ-Boating Standards Panel) welcome page. On the left, a vertical menu contains links: My Panels, Panel Home, Contact Us, Login, Register, and Quick Start Guide. A red arrow points to the 'Login' link. The main content area has a heading 'Welcome to EZ-BSP, the National Boating Education Standards project site!' followed by a welcome message and instructions for new users to register and existing users to login. It also mentions the site is sponsored by the National Association of State Boating Law Administrators (NASBLA). On the right, there is an 'ESP News' section with a headline 'Review Period Open through February 23 - Investigative Training for Boating Incidents' and a brief description of the draft standard. The footer contains copyright information for 2023 NASBLA.

If you don't remember your password, click Forgot Password and follow the prompts to set a new one.

The image shows the NASBLA Connect website's AMS Login page. At the top, there is a navigation bar with links: Contact Us, My Account, Code of Conduct, nasbla.org, FAQ, Quick Start Guide, and a SIGN IN button. Below this is a header with the NASBLA connect logo and a navigation menu: HOME, COMMUNITIES, DIRECTORY, RESOURCES, PARTICIPATE, and a search bar. A large blue banner reads 'AMS LOGIN'. Below the banner is a 'MEMBERS - LOGIN HERE' section with a login form. The form has fields for 'Login ID (Default is email address)' and 'Password', a 'Forgot Password?' link, and a 'Login' button. A red arrow points to the 'Forgot Password?' link. The footer features the NASBLA logo, social media icons (Facebook, Twitter, YouTube, LinkedIn, Instagram, Flickr), and a 'LEARN AND GROW' section with links to Policy, Boat Program, Committees, Reciprocity, Spring Aboard, and Education Research.

3. My Panels. Once you're logged in, you'll be taken to a page called My Panels. Here you will select which ESP Panel you wish to follow and offer comments. For most people, this will be the National Boating Education Standards Panel. Click Join this Panel.
